<p>How might a house look for Christmas based on what each Gospel says about it? In <i>Christmas in the Four Gospel Homes</i>, beautiful illustrations from architect Kevin Burns reimagine each of the four Gospels as a "house," which the church visits at Christmas. In each section, Cynthia M. Campbell reflects on the distinctive perspective of the birth of Jesus or the incarnation offered by each Gospel. Perfect for individual or group study.</p>	<p>The enchanting themes of C. S. Lewis's <i>The Lion, the Witch, and the Wardrobe</i> fit naturally into the Advent season. These twenty-eight devotions alternate between Scripture and passages from the novel to prompt meditation on Advent themes. Each devotion also includes questions for reflection. The book also provides several resources for churches, including four sessions for small-group discussion and ideas for creating a "Narnia Night" for families.</p>	<p>To "prepare for Christmas" in our society is to be sucked into a vortex of indulgence, from decor to gifts to calorie-rich foods. The arrival of the Messiah, by contrast, is true abundance disguised by the impression of scarcity. This powerful devotional by best-selling author Walter Brueggemann includes daily reflections for Advent in order to invite us to see beyond the world's faux extravagance and realize the true feast laid out before us. Twelve prayers are also included for the twelve days of Christmas.</p>	<p>Valuable not only for their sublime musical expression, the African American spirituals give us profound insights into the human condition and the Christian life. Many focus on an essential scene of the Christian drama: the coming of God as the child in Bethlehem and as the liberator of God's oppressed people. In these devotions for the season of Advent, each devotion features the lyrics of a spiritual, a reflection on the spiritual's meaning, a Scripture verse, and a brief prayer.</p>	<p>In Isaiah 9:6, a divine utterance is given to us using four royal titles: Wonderful Counselor, Mighty God, Everlasting Father, and Prince of Peace. <i>Names for the Messiah</i> ponders each royal designation and how the people understood it then, how Jesus did or did not fulfill the title, and how Christians interpret Jesus as representative of that title. In this study, best-selling author Walter Brueggemann tackles the questions: "What were these expectations?" and "Did Jesus fulfill them?"</p>	<p><i>Gift and Task</i> is an original collection of 365 devotions by Walter Brueggemann, providing the opportunity to consider the cost and joy of discipleship. Perfect for daily use, this book begins with the First Sunday of Advent and provides insightful reflection and thought-provoking commentary on the Scriptures for each day of the year. Brueggemann guides disciples with wisdom and encouragement for our never-ending walk along God's challenging, grace-filled path throughout the Christian year.</p>

Despite the beauty of Advent hymns, most of us prefer to skip right to our favorite Christmas carols. But in our rush to get to the joy of Christmas, we forget what Advent is all about. Through the words of moving Advent hymns and the powerful words of Scripture, <i>Songs for the Waiting</i> helps readers reclaim a sense of the beautiful anticipation and preparation that is central to Advent. Each day's devotion also includes questions for reflection and prayers, making this book also suitable for group study or creating a sermon series.	<i>Walking Backwards to Christmas</i> starts at the end of the story, with Jesus' presentation to Anna and Simeon at the temple, and moves backwards to the much-earlier hopes and dreams of Isaiah and Moses. Telling the Christmas story through the eyes of both famous figures like King Herod and imagined characters like the innkeeper's wife, Stephen Cottrell invites readers to experience Jesus' birth anew, with greater appreciation of the dark themes and ancient figures relevant to the Advent story.	This gift-worthy book will delight readers with essays exploring the theological, historical, and pastoral implications of the Scriptures that make up Handel's <i>Messiah</i> . Forty reflections journey in order through the oratorio, taking the reader deeper into less-often studied texts and bringing new light to oft-quoted passages. Each reflection offers the libretto from <i>Messiah</i> , the same passage from the NRSV, and a brief commentary on the text, written by a respected scholar or pastor.	These forty stirring devotions will guide and inspire readers as they move thematically through the weeks of Advent and Christmas, from waiting and mystery to redemption, incarnation, and joy. Supplemented by an informative introduction, short excerpts from Bonhoeffer's letters, and passages from Bonhoeffer's Christmas sermons, these daily reflections are timeless and moving reminders of the true meaning of Christmas. Now repackaged in a beautiful hardback edition, it makes the perfect holiday gift.	In a style that is reverent and faith-filled, Ann Weems reflects on the mystery of the Christmas season. Included in this collection are twenty-six new poems as well as popular selections from her earlier works, especially <i>Reaching for Rainbows</i> and <i>Family Faith Stories</i> . Capturing the spirit of joyful celebration, they can be used in worship services, read aloud at family gatherings, or used by individuals for quiet reflection.	Through the blessed themes of Advent—hope, love, joy, and peace— <i>Illuminating Advent</i> invites you to connect with this sacred season. The meaning and mystery of Christmas and Epiphany are also explored.  <i>Being Reformed: Faith Seeking Understanding</i> is a series of biblically based six-session mini-courses that provides adults with a foundational understanding of the Reformed faith. Features Scripture, prayer, in-depth commentary, and questions for reflection.

<p>Preeminent hymn writer and liturgist Brian Wren offers a collection of worship resources suitable for use in a variety of worship traditions. These theologically sound and creative worship resources include orders of worship (liturgies) and worship elements such as litanies, calls to worship, thanksgivings, and affirmations of faith. All the worship materials are compatible with the Revised Common Lectionary, but can also be used in churches that do not use the RCL. Additional features include a Scripture index and a topical index listing items that can be used on other occasions during the church year.</p>	<p>This collection of carefully selected lectionary readings, poems, carols, prayers, and litanies will enrich the Christmas worship experience in the church and at home. The three main segments of this anthology follow the traditional sequence of the Christian liturgical year: Advent, Christmas, and Epiphany. With this resource, the hearths of homes can become altars, and the blessed season may be honored in holy tribute to the birth of Christ.</p>	<p>This resource is an all-in-one worship companion designed for those who do not follow the lectionary, or would like an alternative to the lectionary during Advent. Includes six thematically designed services for the four Sundays in Advent as well as Christmas Eve and Christmas Day. Four midweek services provide a supplemental study of John the Baptist to enhance the congregation's Advent experience. In keeping with other Feasting on the Word resources, the Advent Companion offers pastors focused resources for sermon preparation along with ready-to-use liturgies for a complete order of worship. All new material including hymn suggestions, Service of Hope and Healing, and children's sermons make this an invaluable resource for the Advent season.</p>
