... by responding to questions and raising his own.

... in formal and informal settings.

... drawing from everyday examples to illustrate important concepts.

... in everyday moments and actions.

... through his life, death, and resurrection.

Jesus the Rabbi

Jesus was constantly teaching, sometimes with words and often with actions. The Gospels include formal sermons and the informal lessons Jesus shared with those around him. Jesus used everything around him to help in his teaching. Jesus' life, death, and resurrection ultimately teach us about God's unfolding story and love.
